

## Strategia to participate in Annual Fund Forum

---

Strategia Investment Company is proud to announce its participation in the 4th Annual Fund Forum to be held in Bahrain on Oct 6, 2010.

Harry Milne, US office Director, will be speaking on New Strategies for Global and Regional Allocation, as well as the need to create a balanced asset allocation to meet different clients' needs and identify the new investment opportunities in a risk aware world.

Harry joined Strategia in 2007, as Managing

Director of the US office in Westport, Connecticut.

He manages several investment vehicles and managed accounts which were structured to invest in RE and technology private equity. He also manages the company's World Liquid Real Estate Fund which returned +10% in excess of the Global RE index in 2008.

Strategia Investment Company (Strategia) is a full-fledged investment company, providing investment products and services across all investment areas with special focus on real

estate sector.

Strategia has over \$300 million of assets under management from primarily large Kuwaiti institutional investors. Strategia has been awarded the Euromoney "Best Liquid Real Estate Fund" for three consecutive years; 2007, 2008, 2009.

To our clients, business partners and shareholders, we are offering a discount of 15% off the original attendance packages offered for those who are interested to attend.
